Dear Mr. White:

All of us involved with the Palmer Drug Abuse Program, the young people, parents, staff, and Board of Trustees, want to extend to you our profound gratitude for your most generous contribution of **\$500.00** for the 2002 Fundraising Drive. Your support is absolutely wonderful and will help ensure PDAP's **free** services continue to be available to those who so desperately need it.

One out of four families are touched by the cycle of addiction, which is passed on to each generation and is virtually impossible to overcome, by yourself. Yet, when others reach out with love and understanding, sharing their hope and strength, individuals struggling with drugs and alcohol can learn to overcome the self-defeating habit of relying on chemicals to mask their pain, hurt, and fear. Best of all, they learn to **break the vicious cycle of addiction**.

PDAP has worked with over **14,240** individuals in its **22** years of providing services to the South Texas community. Know your financial gift is helping us to guide our participants to recovery and to become positive, productive members in our community.

Thank you again for your support and concern. I assure you we are deeply grateful for your confidence in our organization.

Most sincerely,

Dear Mr. ~~White~~: Bob

A Big Thank You for your help and support that make the 2001 Children's Miracle Network Telethon a huge success. We achieved a New Record for Driscoll Children's Hospital, \$1,412,806.

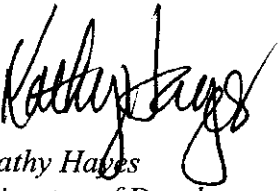

We wish to thank KIII TV 3's employees who gave their precious time to answer the phones for the Telethon phone banks on Saturday, June 2, from 11 p.m. to 12 a.m.

It takes a real team effort to be able to achieve the success we have had since our first telethon, 17 years ago. We have raised over \$10,322,596 million through the Children's Miracle Network Telethon for the children of South Texas. The employees of KIII TV 3 played a major role in that achievement.

*Without the hard work, dedication and selflessness of employees, presenters and volunteers the telethon would not be possible. Thank you again for all your help and your support -- **you make the miracles happen!** We look forward to the Telethon in the year 2002.*

Thank you again for your support.

Dear Bob,

I wanted to take a minute and thank you and all your staff for your help and support during these last few weeks. We greatly appreciate what Channel 3 has done to support our local chapter in its efforts to help the victims, their families, and the relief workers of the terrorist attacks. The way you and your organization pulled together the fundraising event so quickly, and the coordination that had to go into it, is "awe-inspiring". We really appreciate how you helped people in the community have a chance to show their support for the terrorist attacks through donations to the Red Cross. I know the community is grateful for the wonderful coverage you have shown on the attack. Your coverage has been very informative with excellent reports both locally and nationally. I am thankful that I get to work with KIII-TV and its staff.

I'm glad to have had a chance to meet you in person. I enjoyed working with you, and look forward to working together again in the future.

Dear Nada:

As we enter a new year, I want to take a moment to say thank you for the support KXAS/NBC 5 provides to Junior Achievement in the Tarrant County area, and to give you a brief update on our activities. I am pleased to report that JA is rising above the economic downturn and is continuing with its strong program growth.

During the 2001/2002 school year, JA's programs grew by **twelve percent** to reach **14,509 students** in Tarrant and surrounding counties. This growth is the result of matching companies with schools to reach **100 percent** of the students in the school with JA programs. This concentrated program focus provides a higher education benefit to the students than just a scattering of programs.

And the program growth is continuing in the 2002/2003 school year. JA's programs for the 2002 fall semester were over **50 percent** larger than our programs last fall. Approximately **10,000 students** benefited from JA's programs during this fall semester. And we expect about **9,000 students** to participate in JA this spring, bringing the total for the year to **19,000 students** in Tarrant County. To reach this number of students, over **950 employees** from local companies will volunteer for JA this year.

JA established relationships with new schools through the **PTA** organizations and utilized the parents of students to lead JA's programs at their child's school. This has proven to be a great way for parents to be directly involved in their child's education.

The **2002 Trinity Invitational Golf Tournament** enjoyed a successful move to Mira Vista Golf Club, and continues to be one of the premiere golfing/customer development events in Tarrant County. The 2003 Trinity Invitational is scheduled for **May 19** at Mira Vista. This year's Honorary Chairs are **Mike and Rosie Moncrief**.

Revenue from the **2002 Summer Fun Bowl**, which took place in August, increased by **57 percent** over the previous year's event. This gave JA a great start to the 2002/2003 program year. Revenue from other funding sources is also up over last year.

Junior Achievement feels it is important to help students further their education. Last year, JA and our college partners awarded over **\$18,000** in college **scholarships** to JA seniors to help them continue their education beyond high school.

All of this activity has one primary purpose. To improve the future for our young people and our community. Junior Achievement conducts scientific **evaluations** to determine the effectiveness of its programs. Findings from the national evaluations show that, while JA programs are "thin"

Dear, Nada

On be-half of Dr. Mamie McKnight, Black Dallas Remembered, Inc. and myself **"Thank You"**. It's your commitment to community involvement that will ensure the Juanita Craft Civil Rights House continues to be a home where history is made and lessons are learned.

We all know nothing is achieved unless it is a team effort and that is why Channel 5's support of the Ninth Annual Young And Gifted Concert was so important and the results were a successful concert. This program serves not only our youth in showcasing their talents, but as a way of celebrating what we all hold dear...community.

So, again "Thank You" for extending your hand in supporting BDR and ensuring they can continue their mission of preserving African American history in the Dallas area for future generations to come.

Dear Nada:

Please accept my most humble appreciation for your support of "A Special Evening with Ray Charles," benefiting Special Care & Career Services.

This evening could not have come to fruition without your generous donation. It was "A Special Evening" because in our second year, we raised over \$475,000 in cash and an additional \$220,000 in donated services. That is a 30% increase over last year's event fundraising. You helped make this possible.

It was a "Special Evening" because we celebrated young men and women who, despite unimaginable obstacles, embrace the challenges of their everyday lives, crave what we consider the mundane and celebrate the opportunity to be a productive part of the community. You helped create that opportunity.

It was a "Special Evening" because the Meyerson was filled with nearly 1600 people enjoying the concert and learning about Special Care & Career Services and the Supported Employment Services program. We are hopeful that this knowledge will result in many new jobs being created for our clients. Our goal is to eradicate the two year waiting list for our clients who want to work in the community. Your participation has allowed us to take one giant step toward attaining that goal.

Thank you again for your contribution and your belief that children and adults with developmental disabilities can and should be a part of our community.

The success of our event is measured by how well we serve our participants. Thanks to your involvement and contributions, we were able to serve them very well. While we cannot gather the signatures of all 12,000+ runners who partook and enjoyed your involvement, be assured that we speak for all of them when we express our appreciation.

The generosity of organizations such as yours is what enables us to provide the running community with a venue for their sport, the greater Fort Worth area with a community event, and the children with a healthy activity. You make it all possible; you make it all worthwhile.

Dear Mrs. Ruddock:

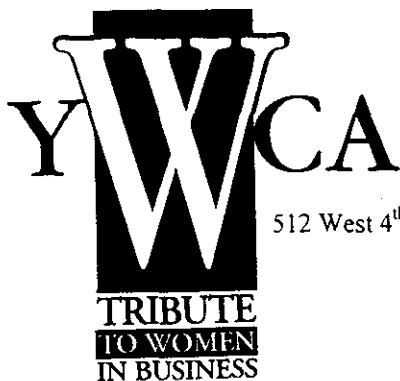

This marks the end of another exciting and rewarding celebration of the birthday and legacy of Dr. Martin Luther King, Jr. This year's events represented quite a few firsts for our organization. These firsts were made possible due to community involvement and the willing spirit of persons like yourself that embraced and supported our efforts. We had the largest collective attendance of all times at our holiday events.

The Greater Fort Worth Martin Luther King, Jr. Holiday Committee is sincerely grateful and thankful for the services, resources, and opportunities that were brought about through your hands. This year's events would not have achieved such great level of success without your cooperation and charitable contributions.

Thank you again for your unselfish generosity, and please know that it did not go unrecognized or unappreciated. We are pleased to have your confidence and support, and it is our hope that we can continue this vital relationship and count on your contributions next year. We remain committed to help shape the future of children through our MLK Scholarship program, and host events that help remind everyone to continue living "The dream" for which Dr. King sacrificed his life to make a difference in ours.

NBC 5
P. O. Box 1780

Dear Tom:

Thank you for meeting with Tracy Thomas and us last week. We appreciate your visiting with us amid the preparation for coverage of the Iraq war. Our year-round partnership with NBC 5 is one of our most valued relationships in the metroplex.

We are grateful to you and Nada for the time you spent reviewing the MDA calendar of events. We hope Pam and you will be able to attend the Muscle Team Bash on Friday, April 4, at Sambuca. It is one of the most fun events we organize each year. Fortunately, it appears that, with an early tee-time, you will be able to participate in the Aisles of Smiles Launch Weekend on May 9 and 10. We are counting on you to emcee the SMA dinner, again, on September 13. The date for the open house at the MDA/ALS Center of Dallas has changed to Tuesday, May 13. If you are available, we hope you will emcee the brief program prior to a tour of Dr. Jeffrey Elliott's research lab. The group attending are some of MDA's most dedicated and generous supporters, but we understand this may be a conflict with your travel schedule. Participation from the station is always most welcome in the Telethon Executive Lockups. You are cordially invited to return as a celebrity judge for the Fort Worth event on August 14. We will definitely plan our Great Walk after Healthfit Expo. The opportunity of involving Elsa Ramon and Todd Wallace in our events is exciting. We will follow up with Nada and Linda about all the items we discussed.

This Friday evening, we know you'll be watching Syracuse play Auburn, one of this year's dangerous Cinderella teams. We hope you'll occasionally catch glimpses of the South regionals as our (and Derek Castille's) Texas Longhorns, led by T. J. Ford, take on your home state of Connecticut.

Thanks, again, for everything you and the entire NBC 5 team do to advance our cause.

Dear Nada:

We at Score A Goal In The Classroom school incentive program want to thank you for your participation and support of our efforts to help raise the level of education and help honor the real Heroes of our community, Teachers and School Employees.

Your donation and sponsorship to our reading initiative "Keep The Reading Lamp Lit" is already paying dividends to the North Texas children and their families that we are encouraging to fall in love with reading.

Please find enclosed a copy of the Fort Worth Star Telegram story about our new Reading Mentoring Program "THE READING PATROL." As you know our organization has taken on the role of a translator to communicate all the good and wonderful things that are happening in our schools.

Again this year we have had the opportunity to have one of our Reading Buses at MayFest. With the help of 384 Reading Frogs and other community volunteers we gave 9,400 free books to children who visited and read with us at this event!

Without your splendid support we would never be able to keep up with the needs and opportunities we have to serve our children.

We invite you to visit our website at www.scoreagoalintheclassroom.org to receive the most up to date information on the Organization, the community we serve, and the programs we sponsor. Your comments and feedback are always welcome and if you have any questions, please call me at 817-429-4024.

Thanks for all you do for our community!!

Sincerely,
